Simplify loan reporting and portfolio sales.

CRF Exchange helps lenders, portfolio managers, and program sponsors facilitate the collection and transfer of data necessary for enrollment of loans, loans sales, or participations in funds or programs that serve small business capital needs.

Centralize Loan Reporting and Standardize Data Collection

Collect and track all your loan portfolios in one place. CRF Exchange allows you to track customized data points for compliance reporting for complex government programs, as well as view your portfolios' impact and performance reports in one centralized platform.

Simplify Loan Sales, Participations, and Enrollments

Standardize the process of selling/buying loans, participations, guarantees, or enrollment in a wide variety of credit programs. CRF Exchange captures and validates key data and helps lenders and portfolio managers save time and money.

Access Secondary Markets and Credit Enhancement Programs

CRF Exchange connects lenders to programs and funds that can provide additional liquidity and/or credit enhancements. Lenders can enroll loans in multiple different programs within the same system, creating efficiencies for all parties.
